

MED-EL UK CI Coffee Morning

Saturday 8th July 2023

University of Southampton Auditory Implant Service

Agenda:

10-10.15

10.15-10.45

10.45 -11.15

Welcome – Coffee and refreshments

Background of MED-EL - What is new with MED-EL

Our latest technology (included in all CI packs) - key features on your phone, what you can do with your Finetuner, Audiolink, Audiostream, Amazon Fire TV with Audiostream, How to look after your Sonnet, Sonnet 2 and Rondo 3 processors.

Break

11.15-11.30

11.30-12.30

Connectivity/accessories stations - opportunity to discuss questions and talk to each other, listening to direct streaming, practising pairing to phones.

12.30-14.00 Optional:

Bring your MED-EL box with you on the day if you would like us to help with some of your accessories.

Meludia will be available on iPads to gain experience in using our music program. You are welcome to bring your own iPad to download Meludia

Hearpeers mentor – One of our CI mentors will join us to tell you how they are using their accessories.
