

Hearpeers x MED-EL: Experts Answer Your Questions

Music x MED-EL: Explore Resources for Music Training and Rehabilitation

MED-EL's musicologist Johanna Boyer will host this interactive workshop and introduce the **newest music training and rehabilitation resources:** Meludia and Musical Ears. She will also discuss additional, upcoming music resources that can be used and referred to in order to support CI recipients. Feel free to ask your music-related questions—Johanna will be happy to answer them.

A **live captioner** will be present—please don't forget to activate the captions within Zoom to be able to access them.
