A bright new chapter

DISCOVER THE NEW INTEGRO CI

2nd December 2026, 12pm - 1pm

Online via Zoom

Thinking about a cochlear implant or your next AB processor upgrade? Join us to discover Integro CI, the new cochlear implant solution from Advanced Bionics.

In this webinar, we'll introduce the latest features and benefits of Integro CI and explore how it can help you stay connected to the people, sounds and moments that matter most.

Whether you're new to cochlear implants or an experienced AB recipient, find out what Integro CI could offer you.
